To all persons interested in the estate of Annabella McDonald, late of the city of Barre, Some people who are troubled with worms, or whose children sometimes suffer that way, try to get rid of the trouble by using worm tablets, worm lozenges or worm candy. They fall to get the quick results that can be obtained with Dr. True's Elixir, the family laxative and worm expeller.

In fact Dr. True's Elixir, a liquid medicine, is positively better than any worm tablets, worm lozenges or worm candy. There is no remedy that can compare with Dr. True's Elixir for quickly expelling worms, whether they are atomach worms or pin worms.

Besides that, your stomach is toned up and normal action of the bowels is restored when you take Dr. True's Elixir. It is a doctor's preparation, originated by Dr. True and on the market more than 60 years.

Dr. True's Elixir, the Family Laxative and Worm Expeller, pleasantly, ensily and quickly expels worms and makes you feel much better. Remember this when you or your childen are troubled with worms. Don't take those worm lozenges, tablets or candy that may upset you, but use Dr. True's Elixir that tones and soothes atomach and bowels and expels worms.
